Would you like to be a vendor?

On Saturday, May 2nd, 2015 from 11:30am to 10:30 pm there will be a block party/ beer garden in the 800 and 900 blocks of Commercial St. in conjunction with the Glass Blown Open Disc Golf tournament and Cinco De Mayo. Approximately 900 golfers are expected plus community participants for the Cinco De Mayo. Each golfer will be receiving a gift certificate to spend at vendor booths. Once event is over, those gift certificates can be turned in to Emporia Main Street for full reimbursement. This block party will be in a fenced in contained area with a beer garden. Set up can begin as early as 10am. There will be no cars on the street during the event, so if you decide to break down before the event is over, you will have to carry your equipment out of the designated gates within the fenced in area.

On May 30th, 2015 there will be a finish line celebration in conjunction with the Dirty Kanza 200 bicycle race. The block party/ beer garden will be held from the 600 to the 900 blocks of Commercial St. from 11am to Midnight. Last year's attendance was in the thousands. You may begin selling at 11am (the street shuts down to car traffic at 9am, people will be gathering all day to watch finishers of the other shorter races) If you do not wish to set up at 11am, we ask that you are set up and ready to sell by no later than 3pm. Each cyclist will be receiving a gift certificate to spend at vendor booths. Once event is over, those gift certificates can be turned in to Emporia Main Street for full reimbursement.

A beer garden fencing will enclose the area at 3pm. Once the fencing is set up you can not take down fencing to remove your equipment. You can carry out through the designated secure gates.
