

Welcome Back Students Block Party

The **Welcome Back Students Block Party** will be held on **August 17th, 2015 from 6:00pm to 8:30pm** in the 1000 and 1100 Blocks of Commercial Street. Booths of Main Street member businesses and organizations line the sides of Commercial Street with games, prizes and activities for hundreds of students and general community members.

This event allows one business/organization per booth space, and materials available at the booth must only pertain directly to the participating business/organization, **no other member or non-member businesses. This is a free event for current 2015-2016 members. No non-members will be allowed.**

Each booth space is approximately 10 feet wide. You must provide your own table, chairs, electrical cords, etc. Main Street only provides the space. Anything else needed in your booth is the responsibility of the business/organization.

Businesses are required to provide a prize to the Main Street booth to use for prize drawing throughout the night.

Set up may begin at 5:00pm. Booth spaces will be marked on the street with the business/organization. Please only set up in your assigned space. Event runs from 7-8:30pm. You will not be able to dismantle your booth till the event closes.
